

## About the project

The children will create stories collaboratively in small groups with the Spanish/ Irish pupils using the Book Creator App.

### AIMS

Groups of Spanish & Irish children will collaboratively create stories

To exchange Christmas cards, small presents

To build a relationship between the schools

To print the book, full of the pupil's stories, at the end of the project

To present the finished book to the children

### WORK PROCESS

Mid October:Skype (introductions)

November: Match groups of 3-5 children in each school, use pictures/drawings in the TwinSpace, Children begin stories using the Book Creator App.

December: Continue stories, give children access to TwinSpace tools to chat etc. Send hand-made Christmas cards in Spanish and English & small presents.

January: Aim to have Stories finished and illustrated by end of February.

March: Print completed stories & prepare book. Make and exchange Easter cards in Spanish and English.

April: Present our Book to the children on World Book Day Monday 23, April 2018.

### EXPECTED RESULTS

On World Book Day we'll present the book with the 5 stories to the children .

We'll put the link to the public TwinSpace on our school websites for parents and our colleagues to see.

We'll invite parents and colleagues to the presentation of the book in our schools.
